NO PARENTS

NO PARENTAL CONSENT

CI-128 eliminates existing parental notification laws for abortion, making it the only medical decision for which parents will have no say for their children.

NO DOCTORS

"ANY TREATING HEALTHCARE PROFESSIONAL" ≠ MEDICAL DOCTOR

CI-128 doesn't require an actual medical doctor to determine if an abortion is necessary to protect the mother's health or if the fetus is viable, but instead allows "any healthcare professional" to make these decisions. Even radical employees of abortion clinics who are not doctors will recommend late-term abortions.

NO LIMITS

EXISTING LAWS GOVERNING SAFE PRACTICE WILL BE ELIMINATED

CI-128 is a California-esque radical change to our Montana Constitution, erasing decades of well-vetted laws put in place by Montanans to protect women and babies from undue harm. CI-128 will allow for extreme abortions at any stage of pregnancy, including late-term and partial birth.
